

ABOUT MY LIFE LIST™

My Life List, LLC, is a Venice, California-based social networking company focused on helping people to achieve their goals. The award-winning website, www.mylifelist.org, is an exciting interactive destination designed to inspire users to CREATE a Life List of things they've always wanted to do, ACT on these goals by making a plan and CELEBRATE their accomplishments by sharing stories and photos to inspire others.

The site, using a proven methodology for setting and reaching life goals, offers inspiration through the [My Life List 90](#) and provides the process necessary for users to accomplish their goals. To encourage balance, the site is organized into 6 categories: *Travel & Leisure, Relationships, Personal Development & Community, Career & Finance, Lifestyle & Culture, and Sports & Adventure.*

"The online community is an inspirational site designed to spur people into action and impact their lives in a positive way," My Life List CEO Bill Starr says.

"A key benefit of the site is that it enables users to learn how others achieve their goals. We're providing a platform for people to share valuable resources to achieve what they desire. It's incredible to read about people's journeys," Starr says.

The site generates revenue through strategic partnerships and targeted one-on-one advertising relevant to the users' needs, linking users to the resources that best match their Life List interests. Mylifelist.org was awarded a 2008 Davey Silver Medal for website design and functionality.

ABOUT BILL STARR

Bill Starr is a founding partner and CEO of My Life List™ (www.mylifelist.org), a Venice, California-based goal achievement company. Starr is a Canadian

Chartered Accountant with 15 years' corporate experience with PricewaterhouseCoopers and most recently with an Australian investment bank. He is an avid "life lister," having lived in four countries, climbed Mt. Kilimanjaro, Scuba dived the Great Barrier Reef, leaped the world's highest Bungee and white water rafted 2 of the world's most challenging rivers in Costa Rica and Zimbabwe. Most recently, he completed his 2nd Rolex Sydney Hobart Ocean Race aboard a former round-the-world Volvo 60. He is originally from New Brunswick, Canada.

“Life lists have been around for years in one form or another,” Starr says. “They act as roadmaps for people to achieve their dreams. We’ve found that many people have dreams but fail to write them down. Studies show that when you write your dreams down, and engage others to support you, they become achievable goals. This is why we created mylifelist.org, which provides a structure, and uses the power of the latest social networking tools to help people achieve their goals.”
